PASS-THROUGH ENTITIES, AS RECOMMENDED BY THE
ENVIRONMENTAL REVIEW COMMISSION.

The General Assembly of North Carolina enacts:

SECTION 1. Chapter 105 of the General Statutes is amended by adding a
new Article to read:

"Article 3H

"Tax Credit for Certain Real Property Donations.

"§ 105-129.70. Tax credit allowed.

A person who makes a qualified donation of an interest in real property located in North Carolina during the taxable year that is useful for (i) public beach access or use, (ii) public access to public waters or trails, (iii) fish and wildlife conservation, or (iv) other similar land conservation purposes is allowed a credit equal to twenty-five percent (25%) of the fair market value of the donated property interest. To be eligible for this credit, the interest in property must be donated in perpetuity to and accepted by the State, a local government, or a body that is both organized to receive and administer lands for conservation purposes and qualified to receive charitable contributions under the Code. Lands required to be dedicated pursuant to local governmental regulation or ordinance and dedications made to increase building density levels permitted under a regulation or ordinance are not eligible for this credit. To support the credit allowed by this Article, the taxpayer must file with the tax return for the taxable year in which the credit is claimed a certification by the Department of Environment and Natural Resources that the property donated is suitable for one or more of the valid public benefits set forth in this section. The certification for a qualified donation made by a pass-through entity must be filed by the pass-through entity.

"§ 105-129.71. Credit amount.

(a) Corporations. – The aggregate amount of credit allowed to a corporation in a taxable year under this Article for one or more qualified donations, whether made directly or indirectly as owner of a pass-through entity, may not exceed five hundred thousand dollars (\$500,000). That portion of a qualifying donation that is the basis for a credit allowed under this subsection is not eligible for deduction as a charitable contribution under G.S. 105-130.9 if it is claimed against income tax under Article 4 of this Chapter.

(b) Individuals. – The aggregate amount of credit allowed to an individual in a taxable year under this Article for one or more qualified donations, whether made directly or indirectly as owner of a pass-through entity, may not exceed two hundred fifty thousand dollars (\$250,000). In the case of property owned by a married couple, if both spouses are required to file North Carolina income tax returns, the credit allowed by this section may be claimed only if the spouses file a joint return. If only one spouse is required to file a North Carolina income tax return, that spouse may claim the credit allowed by this Article on a separate return.

(c) Pass-Through Entities. – The aggregate amount of credit allowed to a pass-through entity in a taxable year under this section for one or more qualified donations, whether made directly or indirectly as owner of another pass-through entity, may not exceed five hundred thousand dollars (\$500,000). Each individual who is an owner of a pass-through entity is allowed as a credit an amount equal to the owner's allocated share of the credit to which the pass-through entity is eligible under this subsection, not to exceed two hundred fifty thousand dollars (\$250,000). Each corporation that is an owner of a pass-through entity is allowed as a credit an amount equal to the owner's allocated share of the credit to which the pass-through entity is eligible under this subsection, not to exceed five hundred thousand dollars (\$500,000).

§ 105-129.72. Tax Election; Cap.

(a) Tax election. – The credit provided in this Article are allowed against the franchise tax levied in Article 3 of this Chapter, the income taxes levied in Article 4 of this Chapter, and the gross premiums tax levied in Article 8B of this Chapter. The taxpayer must elect the tax against which a credit will be claimed when filing the return on which the credit is claimed. This election is binding. Any carryforwards of a credit must be claimed against the same tax.

(b) Cap. – The credit allowed in this Article may not exceed the amount of tax against which it is claimed for the taxable year reduced by the sum of all credits allowed except payments of tax made by or on behalf of the taxpayer. This limitation applies to the cumulative amount of credit, including carryforwards, claimed by the taxpayer under this Article against each tax for the taxable year.

"§ 105-129.73. Carryforward Election; Refund.

A taxpayer may elect to carry forward any unused portion of this credit as follows:

- (1) For the next succeeding five years or
- (2) For the next succeeding two years, and after a credit has been carried forward for two years, the Secretary must refund to the taxpayer in the

1 next succeeding year an amount equal to fifty percent (50%) of the
2 remaining unused amount of the credit.

3 **"§ 105-129.74. Marshland.**

4 In the case of marshland for which a claim has been filed pursuant to
5 G.S. 113-205, the offer of donation must be made before December 31, 2003, to qualify
6 for the credit allowed by this section.
